PRESIDENT'S LETTER

Dear Adlerian Friends,

Welcome to a New Year! I hope you had a grand holiday and I hope you will join us for our meeting on Tuesday, February 10th. Please note the change of address for our meeting. We will meet on the Airport Campus of Midlands Technical College. We have a very unique opportunity to view a video of Dr. Rudolf Dreikurs, a student of Adler and an energetic advocate of Adlerian theory in the United States and around the world. Our own Dr. Frank Walton will provide commentary on the video and lead discussion. Please plan to join us and bring a friend. We always welcome new friends who can help us with the work of the society. There is no charge for the meeting and there are professional development hours for licensed professionals who need them. Come and help us kick off a brand new year. Help us to be bold. As Adler noted, "The chief danger in life is that you may take too many precautions."

John Arnold

President, SC Society of Adlerian Psychology

SCSAP BI-MONTHLY MEETING TUESDAY, FEB. 10

As our president, John Arnold, has noted, the educational program will consist of viewing and discussion of the DVD that was originally a video tape of psychiatrist, Rudolf Dreikurs. This particular presentation by Dreikurs is devoted to Dynamics of Classroom Behavior, and includes his interview with a mother and a classroom teacher. A very brief introduction will precede the 29 minute tape and be followed by an opportunity for discussion.

A brief business meeting will be held following the educational program. Our meeting will be held at the Airport Campus of Midlands Tech. It will be in the Student Center, Room 245. The Student Center is on the back of the campus on Kentucky Avenue. To reach the campus from I-26, take exit 113, proceed towards the airport on Hwy. 302 to Boston Ave, where there will be a Lizard's Thicket restaurant on the right. Follow Boston Ave. for eight tenths of a mile to a traffic circle. The Midlands Technical College Academic Center is beside the traffic circle. The Student Center is behind the Academic Center. There is parking available on either side of the building. Dr. Phil Morris can be reached at 803 822-3559.

FINANCIAL ASSISTANTANCE FOR ICASSI

Many of you are aware that the International Adlerian Summer Institute will be held in Ireland July 26-August 8. Financial aid to attend the enormously beneficial learning experience is available primarily through ICASSI. Applications are available from their website, www.ICASSI.net. The deadline for applications is February 15, 2015.

This year we are pleased to report that for the first time, the S.C. Society of Adlerian Psychology is offering one full tuition scholarship to ICASSI. The dollar amount of this financial aid will be approximately \$775. for the two-week experience. Application is limited to members of SCSAP. An application may be obtained from Frank Walton at drfxwalton@aol.com.

SPECIAL THANKS

Our group is again benefiting from a contribution of one of our former presidents and conference registrar, Kathy Walton, who took it upon herself to rebuild our entire list of SCSAP e-mail addresses after they were lost to a hacker (North Korean we suspect.) If you have any names to add to our e-mail list, please send it to Kathy at fxkwalton@aol.com.

IN CONCLUSION

Come to Safety Harbor, Florida for an excellent conference, good fellowship, and warm weather. Website address www.adlerflorida.org.
