PRESIDENT'S LETTER

Dear Fellow Adlerians,

As I write this, we've already had a response to our recent "Call For Proposals" for our September Conference. The e-mail came with high-praise for our gathering. So much training is done "on-line" that it has become a rare thing for professionals to gather in person, share ideas and network. Mark September 26, 27, and 28th on your calendar. Perhaps you will wish to give some thought to making a contribution and sharing what you know. Prior to our Fall conference we have another delightful opportunity to gather at the home of Frank and Kathy Walton on Saturday June 14th. Bring a friend, your shorts, sunscreen and a yummy food item. The sun almost always shines, but if we are forced indoors, we promise to eat and socialize without the burden of a business meeting. See you then.

Regards,

John Arnold, Ph.D., LPC
President, SCSAP

ANNUAL PICNIC JUNE 14

Our SCSAP annual picnic will be held once again at the home of Kathy and Frank Walton. Members are welcome to bring children or other friends. Each member attending is asked to bring a side dish or dessert that will serve six. The Society will provide Farm Boys Barbeque, rice and hash, along with ice tea, soft drinks, beer, and wine. Picnickers may canoe, swim, fish, play lawn games, walk the woods or sit by the pond. There will not be an educational program or business meeting. The address is 158 Eagle Chase Ct., Chapin, I-26, at exit 91. Drive towards Chapin six tenths of a mile to Eagle Chase Ct. on the left. Turn right at the first lane. The home phone number is 803 345-1905.

FALL CONFERENCE, SEPTEMBER 26-28, 2014

The program committee is pleased to announce that Dr. Eva Dreikurs Ferguson will give the keynote presentation at our Fall conference. Eva will focus upon Adlerian Psychology in the workplace and in organizations. Eva is a professor of psychology at Southern Illinois University, an author, researcher and for many years Chairperson of the International Committee for Adlerian Summer Schools and Institutes. Eva's father, Rudolf Dreikurs was a colleague of Adler and founder of the Alfred Adler Institute of Chicago. In addition, SCSAP is fortunate to have Dr. Bill Linden as a Saturday presenter. Bill is Professor Emeritus of Philosophy at Southern Illinois University. He will present on Philosophical Foundations of Adlerian Psychology. Our three-day program will include five full day workshops on Friday, seventeen 75-minute presentations on Saturday in addition to the keynote, and five half day workshops on Sunday. In keeping with our tradition we will offer a complimentary reception Friday evening sponsored by Columbia Psychological Associations, and a hors d'oeuvres buffet on Saturday evening followed by music and a sing-a-long by the hotel pool. The conference brochure will be sent by e-mail and US mail approximately July 25. Participants will have the opportunity to earn 17 CE's at the conference. Please help us publicize this excellent opportunity for in-service training by forwarding the brochure to colleagues.
