PRESIDENT'S LETTER

Dear Adlerian Friends,

Welcome to Springtime! I hope you'll come out of the pollen and join us at the Airport Campus of Midlands Technical College on Tuesday, April 14th. Irina Cromer will do an educational program on Social Interest and Aspergers, an autism spectrum disorder which has gotten more attention since the publication of the DSM 5. Following the presentation, we'll have our business meeting. April brings a flood of activity which culminates in our September Conference. Along with NASAP and ICASSI, I hope you have September 25-27 reserved on your calendar. The Call for Proposals will go out soon. Consider making a proposal. Hope to see you on April 14th. Bring a Friends. The meeting is free. . . and fun!

John Arnold

President, SC Society of Adlerian Psychology
