## PRESIDENT'S LETTER

Dear Fellow Adlerians,

A splendid conference in September! We were richly blessed with fine presenters, wonderful socializing and the weather was quite inviting. After a fine start on Friday, Dr. Eva Dreikurs Ferguson offered a well-received keynote address on Adlerian psychology and the workplace. Check our web site [www.adleriansc.org](http://www.adleriansc.org) for a clip. We were also pleased to recognize her many contributions to Adlerian psychology by awarding her the Arlis Epps Social Interest Award. Saturday afternoon provided more presentations and then opportunities to socialize and munch. Saturday night we had a vocal and musical crowd gather for an unmatched display of talent. Sunday gave us more workshops and warm hugs as folks went their separate ways for another year. Join us on Tuesday night, November 11<sup>th</sup> as we review action reports and celebrate a very successful conference. AND it's not too early to rummage through your closets for that White Elephant Gift that you wish to grace someone with at our Christmas gathering. Stay tuned. Happy Holidays!

John Arnold, Ph.D., LPC, CEAP  
President, SCSAP
